(b) if so, the details thereof and whether the Government will consider to promote other types of industries including small and ancillary industries so that industries develop rapidly in this State also; and

(c) whether the Government proposed/proposes to give any special package to Chhattisgarh in order to bring it in the category of rapidly developing States, promote its industry and to provide employment opportunities and if so, the details thereof?

Answer

???????? ??? ?????? ???????????? (????????? ??????)(??????? ??????? ???????)
THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)

(a): No, Madam.

(b): As per Annexure.

(c): No, Madam. However, Department of Industrial Policy and Promotion, Ministry of Commerce and Industry has taken up a series of measures to simplify and rationalize the regulatory processes across the country. DIPP has been closely working with the State Governments to help them identify constraints in doing business and improving overall business environment in their respective States.

DIPP introduced the Business Reform Action Plan in 2014 with the aim of improving the process of setting up a business across the country. Business Reform Action Plan includes recommendations for reforms on regulatory processes, policies, practices or procedures spread across the lifecycle of a typical business.

A 340-Point Business Reform Action Plan for States and Union Territories (UTs) targeted at increasing transparency and improving the efficiency and effectiveness of various government regulatory functions and services was circulated by DIPP to all State/UT Governments in October 2015. The Department has, in partnership with the World Bank Group, released the results of the 'Assessment of Implementation of Business Reforms 2015-16 by States', on 31.10.2016. Chhattisgarh has scored a 97.32% achievement and ranked 4th among the States and UTs.
